

# Motorhomes 2022

***Dethleffs***  
A friend of the family

Dethleffs

Generation XL

RV DE 450

# Welcome to the friend of the family

“Not without my family” – that was the inner drive for our company founder, Arist Dethleffs, to invent the “camper car”. He wanted to promote his family business without leaving his family behind.

This family ethos still informs our daily work to this day. Our overarching goal is to make holidays in a Dethleffs a unique experience on wheels. With this in mind, Dethleffs is always your reliable and fair partner.

**Technical changes subject to change, errors excepted.** Please note that the pictures in this brochure may show alternative designs or options that are available at extra cost. Detailed information about specifications and equipment can be found in the technical information. Colour deviations due to the printing process are also possible.

Please note that some of the pictures on the following pages show alternative options, which are subject to an additional charge.

# The invention of the “camper car” – a love story!

As a junior manager in his father's whip and bridle factory, Arist Dethleffs was often away on business trips for weeks on end. He missed his family so much during these times that he promptly invented the “camper car” in 1931 – the first caravan in Germany. This devoted family man thus not only invented, but then also pioneered a completely new form of travel, which remains extremely popular today.

The Dethleffs family and their vehicle/trailer combination aroused curiosity and interest wherever they went. And so Arist soon began returning from his travels with orders for camper cars, which he manufactured in a small garage on the company premises.

The startup quickly picked up speed and left the small garage to become a separate division that focused exclusively on building caravans. Caravanning soon established itself as an entire movement in its own right.

Learn more about the anniversary of caravanning, company milestones, customer stories, our “Win back the full purchase price” competition and other campaigns at: [90years.dethleffs.com](https://90years.dethleffs.com)

# A pioneering spirit

that fascinates us to  
**this day**

# We do “Quaravanning”.

Actually, at Dethleffs the word “caravanning” should really begin with a “Q” because our vehicles are the perfect manifestation of our quality standards – based on almost a century of experience. We have embodied the pioneering spirit of our founder Arist Dethleffs for 90 years and devote all of our energy to building the best recreational vehicles of their time. We stay true to our values and focus on what really matters:

## Quality is in our DNA

- Optimised manufacturing processes based on the highest quality standards
- Precision and craftsmanship by largely self-trained specialists
- Exclusive use of high-quality components and materials

## Rethinking responsibility

- Skilled specialists in all trades
- In-house training (one of the largest training companies in the region)
- Continuous further training

## Staying ahead through outstanding service

- Reliability and safety thanks to our large service and dealer network
- With more than 350 dealers and service partners throughout Europe, help is always close at hand when needed
- State-of-the-art spare parts warehouse
- 18,500 spare parts permanently available
- 93% of dealer orders are fulfilled within three days
- Regular workshop training ensures that our dealers are up to date with the latest knowledge

Experience the production of our caravans and motorhomes live!  
Information on our factory tours is available at [www.dethleffs.co.uk/the-company/factory-visit/](http://www.dethleffs.co.uk/the-company/factory-visit/)

High-quality products, “Made in Germany” at Dethleffs in Isny (Allgäu).  
We operate one of Europe’s most advanced production facilities for recreational vehicles

# Base vehicles at Dethleffs

## The driving force for unique travel experiences

The best-selling base vehicle for leisure vehicles is the Fiat Ducato. In 1983, Dethleffs was the first company in the leisure vehicle industry to recognise the potential of the new chassis with its front-wheel drive – and used it as the chassis for the newly launched Dethleffs Pirate.

Today, the Fiat Ducato serves as the reliable base vehicle for most Dethleffs models. Exceptions are the large Globetrotter XXL A, which is powered by the robust Iveco Daily chassis. We have compared the most important technical features and equipment for you in the adjacent table.

### Assistance systems for additional comfort and safety

Our range of driver assistance systems has grown enormously for the 2022 model year. On the right you will find an overview of the current options.

Further information about the base vehicles can be found at: [www.dethleffs.co.uk](http://www.dethleffs.co.uk)

***Dethleffs***

electric adjustable and heated mirrors,  
driver and passenger airbag, ESP

Hydraulic seat suspension

Alpa A 9820-2, XXL A

## Assistance systems at a glance

Driver assistance systems from the passenger car sector are finding their way into the motorhome sector. They provide additional safety and comfort when travelling. Here are the most important ones:

### Crosswind Assist

In strong crosswinds, the vehicle is kept safely on track via gentle braking interventions

### Trailer Stability Programme

Detects the rocking movements of a trailer and corrects these dangerous oscillations by reducing the torque and/or braking individual wheels

### Post-collision braking

Activates the brakes after an accident to avoid the risk of another collision

### Lane Keep Assist

Prevents the driver from unintentionally leaving the lane via an acoustic or haptic warning signal

### Rain sensor

Automatically activates the windshield wipers when there is moisture on the windshield

### Intelligent Speed Assist

Detects speed limits and suggests a new speed setting for the driver

### Adaptive Cruise Control

Controls the vehicle's speed to maintain a safe distance to the vehicle in front

### Autonomous Emergency Brake Assist

Detects other road users in front of the vehicle and initiates emergency braking if there is a risk of collision

Which assistance systems are standard or optional on which base vehicles? Find out here:  
[www.dethleffs.co.uk](http://www.dethleffs.co.uk)

LOW PROFILE AND A CLASS

# GLOBEBUS

## GLOBEBUS Highlights

- + The van among motorhomes! With safe, agile handling
- + First-class insulation for the superstructure. Fully winterproof on request
- + Large L-shaped seating lounge with comfortable, ergonomically contoured cushions
- + Fully equipped kitchen with gas cooker, oven with grill Duplex, large fridge and sturdy countertop extension
- + Full bathroom with shower
- + Exclusive Gran Turismo Package (optional)

Compact vehicle dimensions

150 cm-wide pull-down bed above the cab (A Class)

Tall rear garage with access from both sides and max. 150 kg distributed load

# Oasis of peace for world travellers

## Globebus Low Profile

The aerodynamically shaped cab hood reduces fuel consumption and can be equipped with a large, opening panoramic window, which allows extra light and air into the vehicle's interior. Underneath, you can relax in the L-shaped seating lounge.

## Globebus A Class

Motorhome royalty in a compact format! Its elegance makes the Globebus A Class a real eye-catcher – active driving, compact and excellent design. Travelling is a fantastic experience thanks to the huge panoramic windscreen and the spaciousness in the cab.

The practical pull-down bed with a width of 150 cm is fitted as standard and is extremely easy to set up.

1 Modern, handleless overhead locker doors with soft-close function

2 Large L-shaped seating lounge with free-standing table and ergonomically contoured cushions

3 Folding worktop extension - create extra space for cooking with one hand movement

T6| Floyd

## SLEEPING

# Pure relaxation

The practical single beds have a length of 195 cm. They can be quickly converted into a 200 x 155 cm sleeping area  
• T/16

The transverse double bed offers a generous 200 x 145 cm sleeping area. Like the single beds, it ensures perfect sleeping comfort thanks to a 150 mm-thick 7-zone mattress made of climate-regulating material  
• T/11

The pull-down bed in the A Class models has a sleeping area with a width of 150 cm

BATHROOM

# Refreshment

Talk about an optimal use of space! Simply swing the back panel over and the bath becomes a plastic-panelled shower cubicle • T/I 1

The T/I 6 comes with a roomy, separate shower, an easy-to-access sink and lots of storage space  
• T/I 6

COOKING

# Small but impressive!

There is enough space in the drawers and the kitchen base cabinet for all your supplies and utensils. Your crockery also has a home in the overhead lockers. • T/1 6

The worktop extension can be folded away very quickly when it is not needed. The 2-burner gas hob features an integrated piezo ignition. • T/1 6

Compact, yet packed everything you need – fully equipped kitchen with hot-water system, gas cooker, oven with grill Duplex, large drawers and fridge • T/1 6

# Plus factors

You can find the full specification for the GLOBEBUS models in the separate technical information or at [www.dethleffs.co.uk/globebus](http://www.dethleffs.co.uk/globebus)

Comfortable captain seats with height/tilt adjustment and upholstered armrests

The seating lounge in the Low Profile model can be converted into a bed

Large rear garages with access from both sides and new, smooth-running twist/quick-release latches

I: Coach-style mirrors for an optimal field of vision

Cruise control, cab air-conditioning, driver and passenger airbags and much more are included as standard

Handy: the extendable step for the bed can also be used as a storage compartment (T/I 1)

T/I: Prominent and safe – integral rear lights with LED nighttime running lights

All you need is

**JUST**

## Highlights of the JUST 90

- + Extensive "Ready to Go" Anniversary Package included as standard
- + Optionally available pull-down bed
- + Airy 213 cm interior headroom (not under the pull-down bed)
- + 70 cm-wide habitation door with window and central locking system
- + Large payload thanks to all-round lightweight construction
- + Single beds can be converted into a large sleeping area
- + LED spots in seating lounge and bed area including touch function and USB charging ports

Modern cab hood with opening window

Cab blinds protect against heat, cold and prying eyes

Spacious rear garage that can be loaded from both sides

90 LIVING  
Just all you need

The new T 6762 dispenses with a fixed bed in favour of a large pull-down bed. This layout creates an incredibly generous feeling of space with plenty of head/elbow room and a wonderfully spacious kitchen. • T 6762

The pull-down bed can be lowered a long way and offers a 200 x 150 cm sleeping area. • T 6762

Four sleeping berths are also possible – move the pull-down bed to the middle position and convert the seating lounge into an extra bed. • T 6762

The rear bathroom, which extends across the entire width of the vehicle, is simply spectacular. With separate shower and huge wardrobe. • T 6762

7052 EB

1 Modern, handleless overhead locker doors with soft-close function

2 The side seat can accommodate a fifth folding seat with 3-point belt

3 The LED spotlights can be easily switched on and off with a slight touch of the hand (touch function)

SLEEPING

# Enjoy a good night's sleep!

Comfortable and practical: the queen bed is accessible from three sides • T 7052 DBL

Versatile sleeping arrangements: the comfortable single beds can also be easily combined to form a double bed • T 7052 EB

Electrically operated two-person pull-down bed above the seating lounge (option)

BATHROOM

# Freshen up for the day ahead

Space aplenty: the washroom and shower cubicle can be combined to form a large bathroom • T 7052 DBL

Bright and modern washroom with practical mirror that can be moved sideways, as well as numerous shelves and storage options  
• T 7052 DBL

1 Flexible rail system with hooks

2 Economical LED spotlights bathe the kitchen in bright light

3 The large window with fly screen and blackout blind provides ventilation

90 COOKING  
Simply delicious

The spacious kitchen cabinets and drawers offer enough space for pots and pans • T 7052 DBL

“Just start cooking” is the motto here. The 2-burner gas hob features a practical hinged cover and electric ignition

# Highlights of the JUST 90

You can find a complete overview of our "Ready to Go" Anniversary Package at [www.dethleffs.co.uk/just90](http://www.dethleffs.co.uk/just90)

Ergonomic, swivelling captain seats with integrated headrest, two armrests and height/tilt adjustment

Cab blinds protect against heat, cold and prying eyes

Light and airy: panoramic skylight (70 x 50 cm) above the seating lounge

Openable window in the cab hood for more light and air inside the vehicle

Real wood shower grid

70 cm-wide entrance door with window, central locking system and fly-screen door

LOW PROFILE AND A CLASS

# The perfect start **TREND**

## TREND Highlights

- + Perfect price/performance ratio
- + Large rear garage, suitable for most e-bikes
- + Optional pull-down bed for Low Profile models
- + 142-litre fridge with large freezer compartment
- + High payload capacity despite being licenced for 4 persons at 3.5t total weight
- + Harmonious "Light Moments" lighting system

70 cm-wide entrance door with coupé entrance

Large opening skylight in the cab hood

Extra-durable LifeTime-Smart bodywork construction

# Relaxation is the Trend

## Trend Low Profile

The Trend Low Profile scores with excellent road-handling properties. This sporting impression is accentuated by the dynamic lines of the cab hood with large, opening window and the modern design. However, the Trend really steals the show when it comes to functionality. A standard feature is the Dethleffs drop chassis extension, which can accommodate extra-large rear garages with two-sided access and a maximum height of 115 cm.

## Trend A Class

Experience a magnificent holiday feeling at a great price. The Trend is equipped with everything that the successful Dethleffs range stands for – and of course with true “A Class” DNA: experience amazing comfort thanks to the large panoramic windscreen, generous space in the cab and also the standard pull-down bed, which offers outstanding comfort at 195 x 150 cm.

I 7057 EB | Torcello

1 The harmonious “Light Moments” lighting composition creates an atmospheric lighting ambience

2 Large and comfortable L-shaped seating lounge with height-adjustable table as standard.

3 Quietly closing overhead locker doors thanks to soft-close technology

SLEEPING

# Sweet dreams!

Sweet dreams are made of this: Dethleffs equips all fixed beds in their motorhomes with 15 cm-thick, 7-zone mattresses made of climate-regulating material. All single beds are at least 195 cm long and can be optionally converted into a large sleeping area • T 7057 EBL

Queen beds offer easy access from three sides. Optionally, they are even height-adjustable • T 7057 DBM

Low Profile: if desired, with electric pull-down bed. Depending on the model, this makes one or two additional berths available at the press of a button (pull-down beds are fitted as standard in A Class models)

BATHROOM

# Wellness Oasis

Spacious bathroom that combines a fresh and modern design with outstanding functionality • I 7057 EB

Bright and modern washroom with practical mirror that can be moved sideways, as well as numerous shelves and storage options  
• I 7057 EB

COOKING

# Cooking fun on wheels

Fully equipped kitchen with lots of storage space and plenty of room to conjure up tasty meals • T 7057 EBL | La Rocca

So practical: Multiflex rail system with various integrated hooks  
• T 7057 EBL

Space-saving 3-burner gas cooker • T 7057 DBM

# Plus factors

You can find the full specification for the TREND models in the separate technical information or at [www.dethleffs.co.uk/trend-ti](http://www.dethleffs.co.uk/trend-ti)

Ergonomic swivelling captain seats with armrests and integrated headrest

Lighting and 230 V socket in the rear garage

In DBL and EBL layouts, the transverse seating can be converted into a seat with safety belt

Breathable seven-zone mattresses made of climate-regulating material

The rear garages in the single-bed models are particularly tall and can be loaded via storage space flaps on both the left and right side

The AirPlus system avoids any condensation behind the lockers

LOW PROFILE AND A CLASS

# PULSE

## PULSE Highlights

- + High payload capacity for 4 persons with 3.5t permitted total weight
- + Harmonious "Light Moments" lighting system sets the right mood inside the Pulse
- + Modern, bright interior with clear lines and modern design language
- + Innovative Maxi-Flex overhead locker with soft opening and intuitive operation
- + Wood-free, rot-proof LifeTime-Smart bodywork construction (GRP-clad underfloor)

**Streamlined cab hood**  
with integrated, opening  
roof window

**Level, Iso-Protect comfort floor**  
in the living area with no steps or  
platforms

Beautifully designed  
**integral LED rear lights**

# Get in the mood. And out of the daily routine.

## Pulse A Class

Travelling with the Pulse A Class is an adventure; this is ensured by the panoramic windscreen with its glorious view to the outside, as well as the optimally noise-insulated dashboard. The exterior has been totally revamped and embodies a new Dethleffs design language, which not only looks beautiful but also harbours many practical benefits.

The XL pull-down bed is fitted as standard - with an elastic 3D bed frame whose degree of hardness can be adjusted. The high-quality mattress is made of climate-regulating material.

## Pulse Low Profile

The design of the Pulse heralds a new era for the Dethleffs Low Profile models. The aerodynamic cabs with the new T-hood flow elegantly into the vehicle body, whose harmonious lines extend all the way to the newly designed rear.

All Low Profile layouts are available with the optional pull-down bed.

1 A living area without steps or ledges – thanks to the IsoProtect comfort floor

2 The harmonious “Light Moments” lighting system provides a unique ambience

3 Unobstructed lines of sight create an especially generous sense of space in models with a seating lounge

I 7051 DBL | Dance

SLEEPING

# Slow your Pulse

The enormously wide (160 cm) and height-adjustable queen bed is comfortably accessible from three sides. On both sides there are tall wardrobes as well as shelves that are ideal for smaller items such as spectacles or handkerchiefs. In addition, the compartments are equipped with a 230V or USB power outlet for mobile phones • T 7051 DBM

The single beds, which are over two metres long, are connected via the head board and can be optionally converted into a large sleeping area • T 7051 EB

Welcome storage space under the double bed. These beds are height-adjustable as standard in all DBM and DBL layouts • T 7051 DBM

BATHROOM

# Large bathroom

Do you appreciate space and elbow room? You will get that here! The separate shower perfectly rounds of your personal spa! • T 7051 DBM

COOKING

# Bon appétit

The functional kitchen flows smoothly into the lounge area  
• I 7051 DBL

Dinner is served. For a larger work surface, simply cover the cooker and sink

Innovative gourmet kitchen with space for all your kitchen utensils. Everything can be conveniently stored in the practical drawers with soft-close technology • T 7051 EB

# Plus factors

You can find the full specification for the PULSE models in the separate technical information or at [www.dethleffs.co.uk/pulse](http://www.dethleffs.co.uk/pulse)

The harmonious "Light Moments" lighting system illuminates the interior via four individually adjustable lighting levels – and creates a unique feel-good atmosphere

The Low Profile model is optionally available with a pull-down bed (headroom under bed: 190 cm)

160 cm-wide, height-adjustable double bed lets you make optimum use of the rear garage

The innovative Maxi-Flex overhead locker architecture creates additional headroom and a generous feeling of spaciousness

Beautifully designed bench panelling with room-divider function

# PULSE CLASSIC 90

## PULSE CLASSIC 90 Highlights

- + 90-Years Anniversary model with extensive "Ready to Go" standard specification
- + All-round lightweight construction ensures a high payload despite being licensed for 4 persons at a total weight of 3.5t
- + Spacious L-shaped seating lounge with comfortably shaped cushions
- + Outstanding comfort thanks to the IsoProtect comfort floor
- + Elegant "Cosmopolitan" anniversary upholstery
- + 205 cm internal headroom for a luxurious feeling of spaciousness

Harmonious  
"Light Moments"  
lighting system

Level, Iso-Protect  
comfort floor in the  
living area - without  
steps

Wood-free, rot-proof  
LifeTime-Smart bodywork  
construction  
(GRP-clad underfloor)

LIVING

# Feel good in an elegant and timeless ambience

The harmonious “Light Moments” lighting system brings far more than extra brightness into the vehicle. With 4 individually controllable levels, the system provides orientation and lifts both your mood and sense of well-being. For a cosy atmosphere that helps to promote balance and equilibrium. - T 7051 DBL

The right lighting mood for every situation

T 7051 DBL

1 Exclusive "Cosmopolitan" anniversary upholstery in an elegant mix of materials.

2 The window in the cab hood (standard equipment) allows light and air into the interior

3 The seating lounge creates a particularly generous sense of space. The table can be folded and moved to create a wider passageway.

SLEEPING

# Enjoy a good night's sleep!

The "Light Moments" lighting system also creates a cosily safe feeling in the bedroom. The 160 cm-wide double bed is height-adjustable • T 7051 DBL

The single beds offer comfortable access without disturbing your partner. They can be easily converted into a large sleeping area with an additional upholstery module. • T 7051 EB

Create two extra berths at the touch of a button! The electrically retractable pull-down bed offers a 200 x 140 cm sleeping area and disappears completely under the roof during the day. • T 7051 EB

BATHROOM

# Freshen up for the day ahead

It's all there: mirror cabinet, toothbrush holder, soap dish, an integrated toilet paper holder and plenty of storage space • T 7051 DBL

By positioning the door accordingly, the washroom and shower become a large, open-plan bathroom that is visually separated from the living room – with plenty of elbow room. • T 7051 DBL

Separate shower cubicle with backlit shower fittings • T 7051 DBL

COOKING

# Simply delicious

The spacious drawers with soft-close mechanisms offer plenty of room for pots and pans • T 7051 DBM

Only uncover as many cooking zones as you need – use the others as an extended work surface.

T 7051 DBL

**1** 142-litre fridge/freezer combination with AES automatic energy system fitted as standard. The system automatically switches to the best available energy source (gas, 230 V, 12 V).

**2** The 3-burner gas cooker can be covered asymmetrically to create a larger work area

**3** The large drawers are equipped with a soft-close function.

# PULSE CLASSIC 90 Highlights

You can find a complete overview of our "Ready to Go" Anniversary Package at [www.dethleffs.co.uk/pulse-classic90](http://www.dethleffs.co.uk/pulse-classic90)

Cab blinds protect against heat, cold and prying eyes

The harmonious "Light Moments" lighting system creates a unique ambience

The openable window in the cab hood allows more light and air into the vehicle

Automatic cab climate control, leather steering wheel, dashboard with aluminium trim and much more

Sturdy, double-glazed flush-fitting windows with integrated blackout and mosquito blinds

DAB+ moniceiver with 7" touch display and steering-wheel controls (includes wireless Apple CarPlay and Android Auto)

Get that "open-sky" feeling thanks to the large, opening skylight (70 x 50 cm)

Simply cool: 16" alloy wheels

# Premium-Class Vehicles

# Double-floor technology for enjoyable winter camping

Winter camping is becoming increasingly popular. In order to be able to really enjoy the mobile experience even in the icy cold, there are a few things to consider, which we have summarised via the following link. An important prerequisite here is the right vehicle technology. Dethleffs has many years of expertise in this area and delivers innovative solutions such as the Dethleffs winter comfort packages, which allow even traditional motorhomes to be made winterproof.

By contrast, the real winter specialists in the Dethleffs model range have their own category: the double-floor vehicles. They feature a kind of “heated cellar”, in which

the entire water installation and important on-board equipment is housed with frost protection. As a positive side effect, the living room floor is kept at a pleasant temperature, which ensures a homely feeling, even when things get frosty outside. Furthermore, the double floor also offers additional, highly usable storage space for bulky luggage and sports equipment such as skis.

On the following pages you can get acquainted with our “winter specialists” with double-floor technology: Alpa, Esprit, Globetrotter XLI and Globetrotter XXL A.

## Highlights of our PREMIUM-CLASS VEHICLES

- + Excellent living comfort in every season
- + Fully winterproof even in snow and ice thanks to double-floor technology
- + Additional, highly usable storage space inside the double floor
- + Generously dimensioned
- + Exclusive specification
- + Maximum durability thanks to the Lifetime Plus body construction

A CLASS

Travel in first-class

# ESPRIT

## ESPRIT Highlights

- + Comfortable interior in Scandinavian look with feel-good character
- + Perfectly winterised thanks to double-floor technology and frost-proof water system
- + Fully equipped professional kitchen for foodies – with high-performance cooker, voluminous drawers with soft-close mechanisms and large fridge / freezer combination (can be opened on both sides if desired)
- + Electrically adjustable pull-down bed with 200 x 150 cm sleeping area, high-quality mattress and slatted frame
- + Ideal driving characteristics: premium broad gauge, low-platform chassis, lowered by 145 mm, with max. 4.5 t permissible total weight

Large rear garage with access on both sides and max. 250 kg distributed load!

LifeTime-Plus bodywork construction with wood-free, GRP-clad underfloor, side walls with PU strips and XPS insulation

Ergonomic SKA hydraulic captain seats including seat ventilation and heating (option)

# On holiday at last!

The alternative: furniture in the cab instead of a pull-down bed! This creates an even greater sense of spaciousness and more headroom - as well as additional storage options (optional)

High-quality SKA captain seats are fitted as standard. As an option, hydraulic seats can be selected - to completely eliminate vibrations and bumps from the road surface. They can also be combined with seat heating and ventilation

Feel good all year round regardless of the season, thanks to the heated, multifunctional double floor

I 7150-2 DBM | Rubino

1 Atmospheric ambience is provided by the “Light Moments” lighting system

2 Spacious and extremely comfortable L-shaped seating lounge - shown here with the optional Rubino genuine leather upholstery

3 Space for a 32” flat-screen TV with extendable and swivelling mount (option)

SLEEPING

# The dream factory

This is peak comfort. The queen bed with standard dimensions of 200 x 160 cm is accessible from three sides – and low enough to make getting in and out a breeze. Tall wardrobes are located on both the left and right side. 7150-2 DBM

Maximum sleeping comfort: the pull-down beds in the A Class offer a large 200x150 cm sleeping area with electrical operation as standard

Ideal dimensions even for taller campers! The single beds are at least 215 cm long and 80 cm wide

BATHROOM

# Mobile Luxury Oasis

High-quality materials and workmanship also lend the bathroom a touch of luxury

The large shower cubicle in a modern design and ambient lighting create an optimum feeling of well-being

# Culinary delight

Abundant storage space is provided thanks to the large drawers which lock automatically when driving. The cooker hood removes unpleasant odours from the vehicle's interior

177-litre fridge / freezer combination with oven – can be opened from both sides

# Plus factors

You can find the full specification for the ESPRIT models in the separate technical information or at [www.dethleffs.co.uk/esprit](http://www.dethleffs.co.uk/esprit)

Count the stars at night. Large skylight above the bed in the sleeping area (option, GT package)

Comfortable SKA hydraulic captain seats including seat ventilation and heating (option)

Enormous rear garage that can be loaded from both sides

Frost-proof - thanks to the heated double floor with plenty of storage space and through-loading facility

The high-gloss overhead lockers are equipped with a soft-close function and are indirectly illuminated

The harmonious "Light Moments" lighting system creates a unique ambience inside the vehicle

Dethleffs Lifetime-Plus: GRP-clad, wood-free underfloor, side walls with PU strips and XPS insulation

Well-insulated and secure: automotive flush-fitting windows

A Class and Coachbuilt models

# ALPA

## ALPA Highlights

- + Huge panoramic U-shaped seating lounge with plenty of space to enjoy meals and relax
- + Winterproof: heated double floor with frost-protected water system
- + Large, spacious rear garage with access from both sides and one-hand operation. 250 kg distributed load possible. Can also be optionally loaded from the rear.
- + Hot-water heating included as standard
- + Large bathroom and dressing area

Extremely **comfortable single beds** in both the coachbuilt and A Class models!

Durable **LifeTime-Plus bodywork construction** with wood-free, GRP-clad underfloor, side walls with PU strips and XPS insulation

**NEW**  
The compact Alpa 6820-2 is now also available as an A Class model!

# The most comfortable apartment on wheels

Relaxing while watching TV, enjoying a glass of wine together or inviting friends over for dinner? The huge panoramic U-shaped seating lounge becomes the focal point for cosy relaxation • A 7820-2 | Skylight (option)

A new kind of lighting system creates an atmospheric ambience by indirectly illuminating the wall and floor elements • A 7820-2 | Amaro

A 6820-2 | Goa

1 Even the shortest Alpha shines thanks to a huge U-shaped seating lounge and plenty of elbow room

2 If desired, two additional seats with 3-point safety belts can be provided on the bench seats

3 The generous space in front of the kitchen is a special feature of the Alpha

SLEEPING

# Dreamlike comfort

A comfortable single bed – also in the A Class! In this case, as an electrically adjustable pull-down bed that can be lowered far enough to make access a breeze.

• I 7820-2

The overcab bed can be easily reached via the fold-away step. Practical: the wooden sliding door separates the living room from the driver's cab • A 7820-2

BATHROOM

# Start your day refreshed

The separate shower cubicle with plexiglass doors promises plenty of elbow room

Your daily spa with an abundance of daylight and outstanding comfort

# Gourmet cuisine on the road

Welcome to the premium class: exclusive GourmetPlus kitchen with large drawers and XXL fridge / freezer combination • A 7820-2

Large kitchen with 3-burner gas hob with rail system and central locking system (automatic locking when the engine starts)

Professional gas hob with high-performance burners and glass-coated steel surface

# Plus factors

You can find the full specification for the ALPA models in the separate technical information or at [www.dethleffs.co.uk/alpa](http://www.dethleffs.co.uk/alpa)

Large 32-inch TV (optional)

Plenty of storage space and a sturdy partition between the living room and cab (coachbuilt models)

Frost-proof - thanks to the heated double floor with plenty of storage space

Even more travelling comfort: SKA hydraulic seats including seat heating and ventilation (option for A Class models)

Feel-good moments - thanks to the new ambient lighting that accentuates the wall and floor elements

Huge rear garage for transporting bulky holiday luggage, etc. With two storage space flaps as standard

Rear storage space flap (option) for transporting long items

A Class

# GLOBETROTTER XLI

## GLOBETROTTER XLI Highlights

- + Generous amount of space with separable functional areas
- + Modern living ambience thanks to a homely mix of light surfaces and cosy wood details
- + Hot-water heating for comfortable living just like at home – even in winter
- + Unique “Light Moments” lighting system
- + Comfort on the road thanks to ergonomic SKA captain seats – optionally available with air suspension, seat heating and seat ventilation
- + Enormous payload thanks to a permissible total weight of 5.4 t

**Modern double-floor construction** ensures a winterproof, frost-protected water system and creates additional storage space (260 mm height)

**LifeTime-Plus bodywork construction**, wood-free with GRP-clad underfloor and roof

**Premium broad-gauge low-frame chassis** with twin axle and lowered by 145 mm for a safe and dynamic driving experience

# All the perfect details in one model

Need an additional seat for the journey? A sturdy folding seat with 3-point safety belt is already integrated into the optional transverse seating. • I 7850-2 EB | Melia

The attractive sideboard is a multifunctional all-rounder that offers additional, extremely practical storage space. The bottom drawer with upholstered top can be used as a foot rest, step or an additional seat for guests.

I 7850-2 DBM | Collin

1 The premium ambience continues in the interior thanks to the harmonious "Light Moments" lighting system with four individually controllable light levels

2 The XLI offers every imaginable multimedia component - including a large 32-inch TV above the sideboard (option)

3 The lavishly tailored Collin leather upholstery (option) lends the interior additional exclusivity

## SLEEPING

# More space for sweet dreams

Electrically adjustable pull-down bed (200 x 150 cm sleeping area) with high-quality mattress

In the bedrooms, the beds are equipped with high-quality, 150 mm-thick seven-zone mattresses made of climate-regulating material on specially adapted wooden slatted bed frames.

This is peak comfort. The 160 cm-wide queen bed is accessible from three sides. On the left and right, two large wardrobes offer additional storage space

## BATHROOM

# Wellness on Wheels

Typical XLI: the spacious bathroom with plenty of elbow room can be completely separated from the living room. If desired, either a ceramic toilet or a macerator toilet with a large waste tank can be ordered.

Recessed sink with metal tap

There is also plenty of space in the separate shower with backlit fittings.

# GourmetPlus Kitchen

Large 177-litre fridge / freezer combination with oven. The doors can even be opened in either direction thanks to a double hinge!

A haptic delight: the easy-care mineral worktop

Ideal storage: the large apothecary-style drawer

Clear the air: powerful cooker-hood extractor with draught stopper

Plenty of cooking fun! The GourmetPlus kitchen brings together everything you need to cook up a storm. With plenty of elbow room and storage space to boot! The drawers are automatically locked when the engine is started

# Plus factors

The XLI offers an enormous range of exciting equipment and customisation options. Here are just a few examples:

A complete overview with detailed information can be found at: [www.dethleffs.co.uk/xli](http://www.dethleffs.co.uk/xli)

70 cm-wide door with window, central locking system and electric closing aid

Enjoy prolonged self-sufficiency thanks to the latest lithium-ion technology with 1600 W or 3000 W power output (option)

Stylish GRP rear section with first-class insulation and elegantly integrated reversing camera and third brake light

Travel first class thanks to shock-absorbing hydraulic seats with a heated and ventilated seat surface (option)

push to open! Innovative closing and opening mechanism without conventional handles – can be upgraded with a central locking system for all flaps on request

Your digital control centre! View important vehicle data and control relevant consumers such as the fridge, heating or air-conditioning system via touchscreens on the dashboard, in the living room – or via the smartphone app

# GLOBETROTTER XXL A

## GLOBETROTTER XXL A Highlights

- + Extraordinarily spacious with seemingly infinite storage and cargo possibilities.
- + Luxury captain seats with seat heating, hydraulic suspension, 3-way adjustment
- + Frost-proof, heated double floor. The radiant heat also serves as effective floor heating
- + Warm-water heating with heat exchanger for engine pre-heating
- + Long-lasting Lifetime Plus technology with 44 mm-thick wall structure
- + Extra self-sufficiency thanks to the large 150 Ah battery and 230-litre water tank

Rear-wheel drive  
with twin axle

Modern 3.0 I Euro VI D  
engine with 132 kW/180  
hp (154 kW/210 hp  
optionally available)

Towing capacity  
3.5 t (braked)

# Luxury with a visionary design

U-shaped lounge for convivial evenings: close the passageway to the cab and add an extra cushion to create a generous U-shaped seating lounge • A 9000-2

When another sleeping berth is needed the lounge can be quickly converted to a bed for two persons.

The cab can be separated from the living room by a wooden sliding door. Ideal to keep out the cold and heat – as well as unbidden guests, as the door can also be locked

A 9000-2 | Collin

1 Picture shows the optional L-shaped seating lounge with free-standing table. A dinette with a table attached to the wall is fitted as standard.

2 For entertainment lovers, a 32-inch TV can be lowered to viewing height (option)

3 The continuous, level floor in the living room is kept warm thanks to the heated raised floor. • A 9050-2

## SLEEPING

# Enjoy sweet dreams

In the bedrooms, the beds are equipped with high-quality, 150 mm-thick seven-zone mattresses made of climate-regulating material on specially adapted wooden slatted bed frames.

The single beds have dimensions of 200 x 80 or 195 x 80 cm. They can be converted into a huge sleeping area that stretches across the entire width of the vehicle. • A 9000-2

The alcove serves as a comfortable, separate sleeping area. At 215 x 150 cm, it is large enough even for taller people. The alcove can also be used as an extended storage space. It can be folded up for easy access to the cab.

Storage space is available in abundance. • A 9000-2

# An oasis of well-being

Large bathroom with unbeatable space and storage.

Spacious shower with plexiglass doors, rain shower and ambient lighting

Large mirrored cabinet, just like at home

COOKING

# Gourmet cuisine

The kitchen boasts a range of practical and stylish solutions, such as the rail system.

The large drawers lock automatically when the engine is started

Big motorhome, big cooking fun! The Globetrotter XXL A offers an abundance of space and elbow room – in a befittingly exclusive design

# Plus factors

You can find the full specification for the GLOBETROTTER XXL A models in the separate technical information or at [www.dethleffs.co.uk/xxla](http://www.dethleffs.co.uk/xxla)

Comfort &  
Service**

# Bon voyage!

No matter which Dethleffs is right for you, all our vehicles focus on two things – ensuring your safety and comfort on the road, and that you will enjoy your travel companion for many years to come.

Which is why, for many years, we have made sure that you are always comfortable and safe during your travels with innovative ideas such as our proprietary SleepWell system, Airplus ventilation, Winter Comfort Packages and other clever components.

Our original accessories range also includes high-quality spare parts and clever accessories for caravanners.

Planning is everything, from the itinerary to the financing – thanks to our flexible financing plans, you can quickly and easily find an affordable new vehicle and enjoy maximum planning security. And our combined new-vehicle extended warranty gives you up to seven years of carefree caravanning pleasure.

So start your next travel adventure with us – we look forward to welcoming you to the Dethleffs family. And if you ever need help, our comprehensive dealer and service network is standing by to provide fast and straightforward assistance.

# Experience makes the difference

Benefit from our 90 years of experience when you choose a Dethleffs.

Time and again you will discover an incredible number of details, small and large, which are testimony to our vast experience in the design and construction of leisure vehicles. Some you will only notice at second glance, others when you are actually travelling with your Dethleffs on holiday. Or in other words: when you really need them!

On this page you will find our range of solutions – born from practical experience, from campers for campers!

Visit us at [www.dethleffs.co.uk](http://www.dethleffs.co.uk) and discover what makes a Dethleffs so special.

## Sleep well

Your holiday won't be very enjoyable if you get up each morning feeling exhausted.

Which is why at Dethleffs we place special emphasis on sleeping comfort in our vehicles! We therefore provide seven-zone mattresses made of climate-regulating material for all fixed beds. Developed in Switzerland, this innovative, high-tech material is considered a milestone in foam technology thanks to its unique advantages. Combined with our ergonomic wooden slatted bed frames, we can guarantee outstanding comfort – all night long, all year round!

Online you will find more information about the Dethleffs SleepWell system. Simply visit: [www.dethleffs.co.uk](http://www.dethleffs.co.uk)

## Travel in comfort

Anyone who buys a motorhome plans to cover some serious miles with it. Driving for many hours at a time is the norm – after all, the journey is the destination! Unfortunately, sitting down for long periods puts an extreme strain on our backs. It is therefore important to have a suitable seat that ergonomically supports the body while on the road.

With this in mind, Dethleffs provides premium, ergonomic captain seats for the driver and front passenger as standard. Individual adjustment options, armrests and an integrated headrest are also included at no extra cost. A Class models come with captain seats that include an integrated 3-point safety belt with optimal belt routing and maximum elbow room. Additional customisation options, including exclusive hydraulic seats, are available depending on the model.

## Healthy indoor climate

Whenever warm air rapidly cools, moisture is the result – in a motorhome, this typically accumulates on the exterior wall when it is cold outside and warm and cosy inside – just as it should be!

The **AirPlus system** provides rear ventilation for the overhead lockers, which helps the air to circulate inside the caravan and prevents condensation from the outset. The result is healthy room air without mildew formation or mould spots.

**Forced ventilation** in the vehicle is required by law to prevent an excessive build-up of CO<sub>2</sub> in the living space. The Dethleffs engineers measure each model individually to determine the ideal number and distribution of ventilation points. While this approach is more complex than using a single, blanket calculation, it is worthwhile since it prevents too much fresh air from entering the vehicle, which can be especially unpleasant while driving.

## Well protected

Small part – big effect!

Not all campsites, and certainly not all holiday destinations, can provide a constant voltage when your vehicle is connected to shore power. A sudden voltage spike is all it takes to destroy sensitive electronic equipment.

For this reason, all Dethleffs motorhomes come with pre-installed electrical blocks (EBL) with integrated over-voltage protection, which prevents such voltage spikes. A separate FI circuit breaker is also built in for your personal safety!

## Durable

The biggest threat to any motorhome is the ingress of water inside the bodywork, which can seriously shorten the vehicle's service life. This was the case 90 years ago when Arist Dethleffs built his camper car and it remains true today. We know exactly what is required for a reliable superstructure design – and how this can be reliably implemented in the production process.

The result is our proven floor and bodywork construction with excellent insulation, which we have named "Lifetime".

It can be found in the superstructures of all our leisure vehicles and represents our promise of motorhomes with a long service life – backed up by a 6-year water ingress warranty\*!

\*The warranty is dependent on an annual water-ingress inspection at an approved workshop (subject to an additional charge)

# It's all on board. Dethleffs Original Accessories

Dethleffs Bike Carrier: safely transport your bike in the rear garage. The smart, lightweight Dethleffs Bike Carrier lets you stow your bikes safely and efficiently during the journey to your holiday destination

Life meets style – the fashionable Dethleffs hoodies, jackets and caps are a must for every camping ground. High-quality materials and chic designs ensure pleasant wearing comfort. Whether it suddenly gets cool in the evening or the day turns out warmer than expected – you are always perfectly equipped with the Dethleffs Lifestyle Collection. This stylish collection is rounded off by our Kids-Club products, which the little ones will simply love. All garments are embroidered with the Dethleffs logo – exclusively for our Dethleffs family.

## SERVICE

Maximum comfort and safety – these are the right ingredients to make you feel completely relaxed in your home from home. We therefore offer a range of original accessories for your vehicle, all of which fit perfectly as ideal enhancements – from cuddly accessories to protective devices and ways to perfectly organise your motorhome.

From dashboard insulation to decorative trim, we make your caravanning experience unique and comfortable. You can easily order matching accessories from your dealer and have them retrofitted if necessary. Some items can also be ordered online and delivered directly to your home. At [www.dethleffs-original-zubehoer.com](http://www.dethleffs-original-zubehoer.com) you will also find our online shop with exciting offers and promotions.

Dethleffs E-Connect – via the app you can conveniently view detailed vehicle information on your smartphone. Monitor tyre pressures, the correct orientation of your motorhome, the temperature in the fridge, and much more ...

Everything else you need while on holiday is available thanks to Dethleffs Original Accessories, which are tailored to your vehicle. Simply browse our catalogue at your Dethleffs dealer or online at [www.dethleffs-original-zubehoer.com](http://www.dethleffs-original-zubehoer.com) or order individual items directly from our new online shop at [www.shop.dethleffs.com](http://www.shop.dethleffs.com)
